A minor is defined as anyone under 18 years of age. I will not view or possess images/photos/videos of my victim(s) or minors without approval.

Direct Contact is one-to-one contact with my victim and/or minor. This includes in-person visits, touching, talking, talking on the phone, written letters or notes, and/or being near my victim and/or minor.

Indirect Contact is making contact with my victim and/or minor through another person or any other type of communication form. This includes asking another person to tell my victim and/or minor something, asking another person to have my victim and/or minor to contact me, and asking another person to contact my victim to ask or answer questions. Indirect contact also involves sending, or receiving packages, delivering or receiving gifts, and/or delivering or receiving money.

Proximity Contact is being in the proximity of a minor (such as in the same house, yard, store, or restaurant) where communication could be established with a minor. Should incidental contact with minors occur, though not prohibited, the contact should be reported to your supervising officer immediately.

Exclusion Zone is defined as any location within three-hundred (300) feet of a school, day care center, public library, or any place intended primarily for the use of minors. If you are subject to exclusion zones, you MAY NOT:

- be present upon the real property of a school, day care center, or public library, unless you have the written consent of the day care provider or the school or library administrator.
- be in or on a bus or other conveyance used to transport children to and from school or school activities while children are present unless (1) you have the written consent of the school administrator, or (2) you are enrolled as a student at that school, or (3) the vehicle is being made available to the public as a form of public transportation while you are in or on it.
- “loiter”, as defined by Iowa Code Section 692A.101(17) within an exclusion zone.

Persons subject to these types of exclusion zones may be within them if they have a legitimate purpose for being there and are not “loitering”.

A PERSON SUBJECT TO EXCLUSION ZONES MAY ESTABLISH A RESIDENCE WITHIN A ZONE AND WILL NOT BE IN VIOLATION OF IOWA LAW FOR HAVING ESTABLISHED A RESIDENCE WITHIN A ZONE.
